

INSTALLATION INSTRUCTIONS

Part Number SU-4250

This filter fits: SEE CATALOG FOR CURRENT APPLICATIONS

Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter can last many seasons. This filter can be used in a stock machine, with no modifications required. If any engine modifications have been made tuning/jetting adjustments may be required. There are special installation instructions, so please follow the procedures outlined below to ensure the K&N Filtercharger® seals properly.

INSTALLATION

1. Remove the stock air filter and air filter holder.
Note: The stock air filter holder will not be used with the K&N Filtercharger®.
2. Carefully clean the air filter sealing surface in the air box.
3. Apply the provided gasket into the air box.
Note: The notch in the gasket will align with the rise in the air box.
4. Install the K&N Filtercharger® into the air box.
5. Install the provided wing bolt and washer into the K&N Filtercharger® and tighten.
7. Reinstall the air box lid

Available to purchase separately

Precharger Wrap; SU-4250PY

THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.
